Soft Skills	Teamwork and collaboration, Positive attitude, Adaptability and resilience, Problem solving, self-learning, Communication skills, Active listening.

INTERNSHIPS & TRAINING EXPERIENCE

Penetration Testing Team Leader *Sep 2025 – Dec 2025*
Green Circle for cyber security · Q2Impact — Amman, Jordan

- Led a team through a full simulated penetration testing lifecycle on a mock client environment
- Conducted reconnaissance, vulnerability assessment, exploitation, and post-exploitation phases
- Produced professional penetration testing reports using SysReptor
- Coordinated team tasks and ensured delivery within scope, timeline, and methodology standards

Cybersecurity Trainee — Masar Program *Aug 2025 – Dec 2025*
National Cyber Security Center (NCSC) — Amman, Jordan | 200 Training Hours

- Completed 200 hours of intensive cybersecurity training covering offensive and defensive domains
- Practiced ethical hacking and security assessments using Kali Linux and industry-standard tools
- Studied Governance, Risk & Compliance (GRC) frameworks and cybersecurity policy

Upskilling program in Cyber security
Cyber Shield academy. Zinc Hashemite University branch *Oct 2023 – Dec 2023*

- Completed an upskilling training in cyber security – first training in this field covering the basics of cyber security, networking, Ubuntu and Kali Linux machines, ethical hacking, digital forensics applying different tools and concepts with hands on practical experience.

TECHNICAL CERTIFICATIONS & COURSES

Girls Who Excel Program	PwC Middle East Corporate	*Jun -2026*
Certified AWS AI Practitioner	Amazon	*Mar 2026*
Certified Cybersecurity Technician (CCT)	Green Circle	*Feb–May 2024*
Practical Penetration Testing (PPT)	Cyber-ETO	*Oct–Nov 2024*
Cyber Warriors Training (CTF)	NCSC Jordan	*Mar 2024*
Cybersecurity Essentials	Cisco Networking Academy	*Mar 2024*
Networking Essentials	Cisco Networking Academy	*May 2024*
Introduction to Cybersecurity	Cisco Networking Academy	*Nov 2023*
Bug Bounty Hunting Workshop	King Faisal Univ. / CyberXBytes	*Jan 2025*
SheHacks CTF Competition 2024	Green Circle Company	*Nov 2024*

EDUCATION

Bachelor degree in Computer Science and Applications *Jan 2026*
Hashemite University — Zarqa, Jordan | GPA: 3.38/4.0 (Very Good)

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Advanced Policy Brief Writing	World Health Organization	*Feb -2026*
Aspire Leaders Program (Harvard-affiliated)	Aspire Institute	*Oct 2025*
